TPO UGANDA

Restoring Hope,
Transforming Lives

TPO Uganda Profile; Our Work, Our Impact, Our Story

Vision

A society where individuals enjoy mental health and socio-economic wellbeing.

Mission

To empower communities improve their mental health and socio-economic wellbeing.

About TPO Uganda

Since 1994, TPO Uganda has supported individuals and communities affected by conflict and disasters by addressing protection and psychosocial needs while strengthening livelihoods. Integrating Mental Health and Psychosocial Support (MHPSS) across all programs. From preventing gender-based violence and promoting child protection to supporting HIV/AIDS care, disaster preparedness, and economic empowerment, TPO Uganda combines emotional wellbeing with livelihood support to help people rebuild stronger, more resilient, and hopeful futures.

Organisational Pillars

1.Mental Health and Wellbeing

Integrating mental health, psychosocial support, and HIV/AIDS services for holistic community care.

2. Protection and Safety for Women and Children

Preventing and responding to violence while strengthening protection systems.

3.Resilient Households and Communities

Promoting livelihoods, food security, and climate resilience for sustainable wellbeing.

4.Strong and Adaptive Institution

Building organizational capacity, governance, and sustainability for lasting impact.

Our Core Capalities

TPO Uganda combines specialized protection and psychosocial programming with systems strengthening, livelihoods and locally led delivery.

MHPSS and Protection niche

National MHPSS partner delivering PFA, counselling, group psychosocial support, specialized case management, suicide prevention, staff care and community-based referral across refugee settlements and Kampala urban operations.

Child protection, GBV and referral systems

Experience in child protection case management, survivor-centred GBV response, safeguarding, PSEAHand referral pathways at community, district and national levels.

National coordination and sector standards

More than 12 years supporting national child protectioncoordination and contributing to MHPSS quality standards as national coordinator of the MHPSS Technical Working Group and Global MHPSS Network member.

Livelihoods and graduation-to-self-reliance

Supported livelihoods and household economic empowerment mainly through savings groups, skills development, cash support, mentoring, income diversification and household economic strengthening for vulnerable households.

Climate resilience and social cohesion

Integration of sustainable natural resource management,environmental protection and peaceful coexistence between refugee and host communities.

Localization andsystems strengthening

Long-term partnerships with government, district systems, CBOs, refugee-led groups, NGOs, research institutions and frontline service providers, including locally led humanitarian systems experience.

Our Donors and Partners

Together with our partners, we remain committed to Restoring Hope and Transforming Lives across Uganda and beyond.
